PRESS RELEASE

27 April 2016

The Museum Swakopmund now offers guided tours! Walk with the very knowledgeable guide (a trained tour-guide) along the interesting exhibits of the Museum and get in-depth explanations and your questions answered. This is a unique chance to get a value-for-money Museum's tour for only N\$40 (plus entrance fee of N\$30). Increase your knowledge about Namibian fauna and flora, learn about Namibian history and archaeology and much, much more. For a guided tour you have to book two days in advance at 064-402046 or email to museum@scientificsocietyswakopmund.com.

Of course everyone is also welcome to explore the museum on their own! Have a look at the all time favourite animal displays, beautiful dioramas and historic artefacts. The Museum boasts a wonderful, educational exhibition about the tribes of Namibia and a changing exhibition, currently about the postal system in Namibia. The visitor will probably also enjoy the interactive devil's claw exhibition. A detailed map of the museum can be found on the following webpage <http://scientificsocietyswakopmund.com/swakopmund-museum/>

Seize the opportunity in the coming holidays to enjoy the learning experience at this unique Museum, treat your children or grandchildren to a special outing! The Museum is open daily from 10:00 to 17:00. It is conveniently situated at the Swakopmund Mole (below the lighthouse).
